**TRANSMITTAL OF FORMAL DRAWINGS**

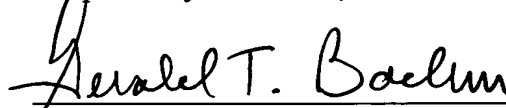

Sir:

In response to the Notice of Allowability mailed May 18, 2005, and in further response to the Notice Regarding Drawings mailed August 2, 2005, please find thirteen (13) sheets of formal drawings for the above-referenced application.

The drawings have been corrected in order to comply with the requirements set forth in the Notice of Draftsperson's Patent Drawing Review dated August 2, 2005. Also, a minor correction was made to Figure 4 of the drawings, in which reference numeral 15 was changed to reference numeral 116 in order to conform Figure 4 to the specification and the reference numeral shown in Figure 4A. An annotated sheet showing the change made to Figure 4 in red is attached hereto.

Entry of the change to Figure 4 and the formal drawings attached as replacement sheets is respectfully solicited.

Respectfully submitted,
